The DIMMER VIEW

by Max Goodwin

For the Negative Voter

On which of the 12 candidates seeking Henry Boney's second district supervisorial seat should you use your vote?

Even more important: Which candidate shouldn't you vote for?

The candidate best qualifying to lose your vote is Bill Sumner—if charges laid against him hold any credence.

First, the good news.

Sumner lists himself as a business management consultant which indicates certain expertise in handling his own business affairs.

He attracted considerable attention in this field early in the campaign by a court action in which he demanded that the ballots be changed.

Since there was no incumbent it was his charge that names should be listed by drawing rather than by alphabet.

He won two ways. The court allowed his demand and he promptly drew top position on the ballot—the spot reserved for the incumbents. That alone is worth 10-15% of the votes say political analysts.

So much for the good news.

Then one of his opponents charged that he didn't live at the address listed on his filing petition. He had listed the La Mesa motel at 7930 El Cajon Blvd. He countered with the response that he had notified the registrar of voters that he had moved to 4475 Dale Ave. A reporter for United Press International said that a phone call to his residence rang a phone on a converted minesweeper Sumner owns moored in the San Diego Harbor Marina.

Soon after his residency was questioned, he eluded a direct answer to a question at the La Mesa Republican Women's club concerning two money judgments awarded against him. The women were questioning supervisorial candidates at a public meeting they sponsored.

Sumner's answer was that if all his creditors voted for him he was assured of victory.

A strange reply for a business management consultant.

The GOP women later distributed a list of 16 lawsuits under the title "Lawsuits filed against William B. Sumner." The list included delinquencies ranging from telephone bills to refusing to return to the County Welfare Department funds he is charged with collecting for which entitlement did not exist.

A business management consultant on welfare? Incredible!

One of the candidates for the supervisor's office—Pat Kelly—called a press conference at which he demanded that Sumner quit the race because of "approximately 30 lawsuits" since 1936 involving Sumner. The latest suit is listed in March 1972. Kelly said that two tax liens are against Sumner's income.

He also charged that Sumner was arrested on three counts of collecting unemployment insurance while being employed. A warrant was issued for his arrest and William Burl Sumner posted bail on three counts in an area Municipal Court in November 1968 later forfeiting bail. Sumner said it isn't the truth. He said the charge stemmed from the time he was serving as business consultant for a Compton firm. The firm was in a jam with their State Unemployment Insurance. He cleared it up, got the firm back on its feet, finishing his chore. Later the firm got back in a jam with SUI people and the State, seeing his name on former reports, filed charges against him. He said he was exonerated because it wasn't his responsibility. His name appears on the records in Compton as an arrestee.

Kelly listed 22 civil suits; two welfare suits; two loss of business suits for failure to pay trust deeds—the latter being of record in March of this year.

The welfare suits were results of certain welfare department practices that needed correction in which Sumner made a test case against these practices. Ted Edwards, his public relations director said. He lost the suits but the questioned welfare practices were discontinued, he added. He did not explain the inconsistency between his explanation and his boss's.

The latest suit involves poor performance of engines aboard the Viajero. The Viajero is an 85-foot converted minesweeper recently purchased by Sumner. He said the owner sold it to him with the assurance that the ship's engines had just been overhauled. With each engine pumping about 80 gallons of oil on a trip from Long Beach to San Diego, Sumner said he wasn't about to pay the balance until the engines were fixed as promised. The resultant \$25,000 suit is a "friendly" suit which is being brought against him in Federal Court so that wrong could be righted. He isn't suing. He's being sued! Fantastic!

It would be an odd situation if a candidate who has suffered "30 suits" became a lawmaker dealing in millions of dollars contributed by overburdened taxpayers. If some of these suits were justified as protests against unwarranted charges, Sumner would serve his public better by joining forces with Ralph Nader, the consumer's advocate.

But supervisorial material, Sumner is not.

Screening Process Next

Executive Committee Gives Final O.K. To Tentative Goals

The Lemon Grove Planning Association executive committee last week adopted the final tentative goals at a meeting in the Golden Avenue School auditorium.

The goals, which were amended slightly from the preliminary goals adopted earlier this year, will now go to various county service agencies, such as the park department, the water district, and the fire district.

Each of the agencies will have the opportunity to screen the goals and suggest any changes which are felt necessary before returning time was better than the

average for community planning groups.

Appreciation of help from the county representative, Walter Keville, was extended at the meeting. Keville has now been assigned with the implementation phase of the community planning program.

The next meeting of the executive committee will be June 8 at 7:30 p.m. in the Lemon Grove Junior High School auditorium. Discussion

of the next phase of work is expected. The meeting, as are all executive committee and general membership meetings, is open to the public.

Banquet Marks Closing Of Netzey School Era

The banquet room was sold out and a host of friends, almost 300, of them, gathered last night to honor Lemon Grove School Superintendent Byron who had served the local school district 30 years. Netzey was retiring at the end of the school year.

The dinner was in the Hotel International's ballroom, Hotel Circle, Mission Valley south, with James Dorman, master of ceremonies.

Bob Russell set the atmosphere for the evening by telling of Netzey's outstanding service as viewed by the total community. Russell himself is a retired notable having just the month before completed his post as president of the L.G. Chamber of Commerce.

Al Lefluer, assistant superintendent of the Oceanside School District was keynote speaker. He reviewed Netzey's service to education.

A surprise guest was Netzey's "football coach," a ringier who bumbled through a short talk. He claimed he coached President Nixon and Netzey when both attended Whittier College. He repeatedly confused Netzey with Nixon. It was a good put on. The "coach" turned out to be Tom Brogan, assistant principal at Lemon Grove Junior High School.

Cleanup, Landscape Plans Revealed at CoC Board Meeting

The Lemon Grove Chamber of Commerce board of directors, under the new presidency of Mike Carlen, heard a proposal from a businessman to clean up Broadway in Lemon Grove.

Bill Shieven, of El Cajon, filling in for the traveling owner of the International Health Food Store, proposed to spearhead a six months program of street sweeping, front window washing, and chuck hole filling on a pro-rata front foot basis.

Shieven said he would sign up local merchants although he envisioned some problems because "there are several feuds going on" among some of the prospects.

He set six months as the period because the Broadway improvement should be started about then, he said. The board approved the plan in principle but could not underwrite it, Carlen said.

Meanwhile, the plaza upkeep district is likely to get started under a County service area act. This procedure requires only the approval of the Board of Supervisors and not by vote of the majority of the affected property owners as in a County Service District Act.

The County would take over the plaza landscaping now underwritten by a group of local businessmen under the sponsorship of the Business Women's League. The area would be from Costa Bella south to Palm St.

er, made the presentation of a gift from Netzey's friends. It was air transportation to Europe for Mr. and Mrs. Netzey.

"The community has been kind to the Netzeys," the retiree said. "And this kindness has been deeply appreciated by my family and myself."

The invocation and benediction were given by the Netzey's family minister, the Rev. Mr. Frederick Bradley of the Lemon Grove First Congregational church.

Sanitation Tax Goes Down But Cost Goes Up

SAN DIEGO (CNA) — Property tax rates for the Spring Valley and Lemon Grove Sanitation Districts are headed downward, but homeowners may not be able to tell the difference.

This is because the service charge for equivalent dwelling units is recommended for increase in the proposed budget that has been submitted to the Board of Supervisors by Public Works Administrator David K. Speer.

Both districts already enjoy charges among the lowest of 14 sanitation districts.

In Lemon Grove, the tax rate will approach the vanishing point and should be the lowest of all 14 districts when it drops from 17.4 cents to 8.7 cents, a drop of 8.7 cents.

However, the service charge will probably jump from \$12 to \$21.

The Spring Valley rate should go from 22.7 to 14.6 cents, but with a service charge increase from \$24 to \$30.

Both districts are comfortably connected to the San Diego Metropolitan System so that while costs of service might go up in the future, neither district is likely to run into a major financial problem in the future.

Subscribers Aid LG Youth Center Project

All was quiet on the Youth Center front as the holiday took the attention of youngsters and leaders alike.

But the list of newspaper subscribers who would give part of their subscription cost to aid the project was still growing.

MISS LEMON GROVE — Barbara Kotnik, who was recently selected as Miss Lemon Grove, will represent the town June 8 when she joins 24 other beauty queens from San Diego County communities in the 27th annual Fairest of the Fair Pageant, held to select a queen to reign over the Southern California Exposition at Del Mar.

Local Beauty Queens To Compete For Fairest Of Fair Crown June 8

Barbara Kotnik, Miss Lemon Grove, and Francine Slagle, Miss Spring Valley, will compete against the winners of 23 other beauty pageants at the twenty-seventh annual Fairest of the Fair Pageant June 8 at the Scottish Rite Memorial Center in Mission Valley at 7:30 p.m. Swim suit judging will be held at 1 p.m. followed by interviews with judges.

Winner of the pageant will reign over the Southern California Exposition, June 27-July 9 on the Del Mar Fairgrounds. She will also receive a grand prize of \$500 in cash and other prizes valued at \$2,500.

Maureen O'Connor of Coronado, last year's Fairest of the Fair, will crown the new queen of the Expo at approximately 10:30 p.m. following the pageant program and judging in evening gowns.

During the Expo, the Fairest of the Fair tours the grounds in an electric cart with her escort, Don Diego (Hollywood actor Tom Hernandez), signing autographs, posing for pictures and meeting people. She and Don Diego open all grandstand shows and make appearances at various stages and functions on the fairgrounds.

All other preliminary contest winners are scheduled for appearances on the grandstand stage and for other activities such as the opening day parade, picture day on June 23, Don Diego's silver anniversary celebration and photographer's day, both on July 1.

Four Jailed In Robbery Case

Three men and a woman and veteran secretary of the were arrested by San Diego Police Wednesday morning in connection with the armed robbery of a Spring Valley installation banquet.

He had been named to the honor several times before Frank D. Soto, 22, Fred Soto, but had rejected it. The re-21, Michael J. Ayers, 18, and tiring president, Bonnie Shu-Joan D. Lee, 19. All were charged with armed robbery after a description of their car matched with the description of the suspect vehicle.

According to Sheriff's Department reports, Jim Towler, 23, of 2810 Central Ave., Spring Valley, was hitch-hiking when the suspect vehicle stopped for him.

While Towler, the victim in the case, was riding in the back seat of the vehicle, the driver drove to the park, where one of the suspects pointed a .22 caliber rifle at the victim.

The affair was held at Carlton Oaks Country Club and attracted approximately 100 lions and their spouses.

James Justeson, 39, who has been an administrative assistant and project coordinator with the Lemon Grove School District for the past year, was selected as the new superintendent for personnel and instruction, effective at the beginning of next fiscal year.

The demand for a new assistant superintendent arose when Dr. Robert Sutton, who presently serves in that capacity, was selected to replace retiring superintendent Byron L. Netzey.

Justeson was selected over three other applicants, all who are presently employed with the district. Two weeks ago, the board screened the applicants down to just two, Justeson and interim principal Eldon Meyer.

Justeson, who recently purchased a home in La Mesa, is married and the father of two youngsters, both boys. A next year, and an open principal post or administrative assistant position could enable the district to hire him.

Justeson winning the post, the district now has his present position open, and filling it from within the district could leave an open principal job.

Interim principal Eldon Meyer has not been hired for youngsters, both boys. A next year, and an open principal post or administrative assistant position could enable the district to hire him.

School Officials Answer Unification Questions

The following article is the last in a series of columns of questions and answers on the June 6 Grossmont Union High School District unification election.

The questions and answers were compiled by county school administration personnel and superintendents of local school districts and are presented as a service to readers who wish to be informed.

Realizing that all questions on unification may not be answered, arrangements have been made to afford readers the opportunity to send in questions of their own, which will be answered by local school district personnel. Questions may be sent to this newspaper, P.O. Box 127, Lemon Grove, 92045.

1) How does a district qualify for the \$20 unification bonus and when is the bonus granted?

If the unification plan is approved by the majority of all voters in the entire Grossmont area, all districts are granted the unification bonus.

If the unification plan is not approved by the majority of all voters in the entire Grossmont area only those elementary districts in which the majority of the voters vote "yes" on the unification plan will receive the unification bonus. The bonus will be effective in 1971-72.

2.) Does a unified school district receive additional state funds for transportation of pupils?

Yes, the formula that involves local tax effort and matching state funds for the transportation of pupils provides low wealth per ADA unified school districts a slightly higher ratio of state funds.

3) What provisions will be made for high school students who now attend at school outside their proposed unified school district?

If the "three-district" unification plan is approved by the voters, some high school students during the 1972-73 interim year will be attending high schools that will be located in a neighboring unified school district when unification takes place for all purposes on July 1, 1973.

Education Code Section 11256 provides that the unified school districts having displaced students because of unification of school districts shall enter into contracts approved by the State Superintendent of Public Instruction for the continued attendance of such displaced students in the schools that they were attending or would have attended prior to unification. The code section specifically states that such contracts may be made for three years.

CREATION CELEBRATION — Susan Sinclair, left, Doug Kitchen, and Cher Smith go through materials to be used in a meditation room at Trinity Presbyterian Church's annual fair, "Creation Celebration", to be

held at the church, 3902 Kenwood dr., Spring Valley, 2 to 9 p.m. Sunday. Included in the affair will be booths of art, chamber music, exhibits, a dinner, a musical presentation and a stage play.

Scholarship Winners To Be Named Monday

Names of five students who have won \$30 scholarships will be announced at Monday evening's meeting of the Lemon Grove Music Parents Association.

Activity begins at 7:30 p.m. in the Lemon Grove Junior High auditorium, 7866 Lincoln st.

The scholarships are to be used as partial payment for a summer music camp, according to Harry Weisgerber, Lemon Grove School District instrumental music instructor.

The Monday meeting will be the last this season for the Music Parents and is to conclude with parents and friends joining Trojan band members for an informal concert. It also marks the final session for current president Shirley Hoffman, who is concluding two years as the group's leader. Installation of new officers at the meeting will find Chuck Barcus entering as president, Rachael Rodriguez and Fairon Smith as vice presidents, Nellie Thomas, secretary, and Al Jesse, treasurer.

Hardison's Telespanish

By JAMES HARDISON

"Baja" is most likely to be associated with the name Baja California (Lower California) for most California residents. Significantly more than this "baja" is taken from an interestingly versatile word "bajar" which mean "to go down," or "descend." Under certain circumstances it can also mean "to lower" or "to fall."

"Me bajo" can mean "I get down" or "I am getting down." This may be seen in the phrase "Me bajo de aqui." (I am getting down from here.) or "Me bajo para ver." (I get down in order to see.)

"Baja" (to lower) may be used in expressions like "Voy a bajar el volumen de la radio." (I am going to lower the volume on the radio.) and "Ojala que el valor del dolar no se va a bajar." (I hope that the value of the dollar is not going to lower itself.) "Baja" also suggests "low"

or "short." This is demonstrated in the phrases "Ella es mas baja que el." (She is more short than he is.) and "Ella quiere una mesa baja." (She wants a low table.) In another of its variations we hear "Favor de hablar en voz baja." (Please speak in a low voice.)

"Bajo" can identify "a bass singer." This may be seen in "El bajo canta muy bien." (The bass singer sings very well.)

Practice phrases listed below are for your learning pleasure. A recorded voice guides you in saying them when you dial 276-2762.

IMPORTANT PHRASES:

Say "Se baja usted?" (seh BAH-hah oo-STEHD) for "Are you getting down?"

Say "Si, me bajo." (SEE meh BAH-hoh) for "Yes, I am getting down."

Say "Cuando baja la temperatura?" (koo-AHN-doh BAH-hah lah tehm-pohr-rah-TOO-rah) for "When does the temperature drop?"

Say "Baja en la noche." (BAH-hah ehn lah NO-cheh) for "It drops at night."

Say "Quien es mas baja?" (kee-EHN ehs mahs BAH-hah) for "Who is shorter?"

Spring Festival Set June 2, 3, 4

Breaking with tradition, Grossmont College's Department of Music will present a spring festival of music featuring individual concerts by the bands, choral groups and the college-community orchestra.

Opening the festival at 8 p.m., Friday, in the gymnasium, the concert band and stage band, with Charles MacLeod conducting, will play a variety of works.

The college's choral groups, with David L. Glismann directing, will continue the festival at 8 p.m., Saturday, in the student center, when the concert choir and chamber chorale presents a program that will include folk songs and spirituals.

The public is invited to enjoy the series performed by students and members of the community. There is no charge for admission.

Balboa Park Art Mart Set For Weekend

Over 200 artists from all over the county, including a contingent of Lemon Grove and Spring Valley artists, will display their works at the regular monthly art mart of the San Diego Art Mart Association Saturday and Sunday.

The art mart, held at Park blvd. and President way in Balboa Park from 10 a.m. to 5 p.m. both days, will include oils, pastels, ceramics, weaving, sculpture, and other art forms.

Local artists will include Bob Landry, Emily Austin, Helen and Eldon Goodall, Hamilton Stalacher, Nell Smith, H. E. Craddock, Maxine Miller, Julius Schneider, Gerald Smith, Erin Wiley, and Davaughn Wistrom.

A special feature of the month's art mart will be a demonstration by painter-sculpture-wood carver Robert J. Brosch at 2 p.m. each day.

Brosch, who was born in Germany, was a teacher in his native land for over ten years and became expert at making custom gun stocks.

His demonstrations at the art mart will consist of an ice sculpture, working from a 300 pound block of ice. His other ice sculptures include a bust of Shakespeare for the Old Globe Theatre and the Eiffel Tower, from a 1,200-pound block of ice, at Sweetwater High School.

Admission is free and open to the public and all art will be for sale.

'S' Club Names New Officers

The Mt. Miguel High School "S" Club, a girls' service organization, announced last week that officers for the 1972-73 year have been selected.

Dorothy Watson will serve as president, Georgia Watson will be the vice president, Dana Corson will be secretary, and Terry Stewart will be treasurer.

Other officers include Mrs. Keith Ellis, secretary; Mrs. Jesse Privett, treasurer; Mrs. William Pasley, historian; Duane Keiser, auditor; and Mrs. Steve Gonzales, parliamentarian.

"S" Club members recently returned from the annual District II Convention held this year at the Sheraton Hotel in Huntington Beach.

Dear Editor:

The American people seem to have forgotten that we are a capitalist system and not socialistic although many politicians are trying to push us that way.

Congressman John Ashbrook is the one candidate on the Republican side that believes in a strong defense, local control and a balanced budget. This has always been the platform and philosophy of the Republican Party, although many Republicans seem to have forgotten it.

Mrs. J. F. W.

INSTALLATION — The Las Donas Past Presidents Club will hold an installation of officers for the 1972-73 year Tuesday morning. Mrs. George Teigen, left, will be the new parliamentarian, Mrs. L. Vlach will

serve as the new president, and Mrs. R. B. McArthur, who is the outgoing president, will be the installing officer. Mrs. Teigen is from Spring Valley and Mrs. Vlach resides in Lemon Grove.

M.V. Student Is Delegate To Youth Confab

Monte Vista High School student John O. Lamping was among seven outstanding science students from San Diego County who were named delegates to the national youth conference on science and environment, which will be held in the fall.

Lamping

The youth conference will be held at the Chicago-Sheraton Hotel November 9-11 under the auspices of the National Science Teachers Association and the electric power industry.

Delegates from San Diego County will be sponsored by the San Diego Gas and Electric Company.

A system is being developed whereby utilities can read electric meters by remote control.

Bernadine Southard To Be Soroptimist President

The Lemon Grove Soroptimist Club will install officers for the 1972-73 year tomorrow evening at an installation dinner in the Bronze Room in La Mesa.

Mrs. Bernadine Southard will be installed as president. Mrs. Leona Bowersox will be the new vice president, Louise

Mrs. Southard

Dail and Sheila Clark will become secretaries, and Dortha Thompson will be installed as treasurer.

Ilse Hamming, installation chairman for the evening, an-

nounced that Katherine Quay, youth projects chairman of District II Soroptimists, will serve as installing officer.

Other honored guests to be on hand at the affair are Anita Watson, a Mt. Miguel High School student, who will be presented the Joy of Achievement Award, and Josanne Davis, winner of the Grossmont College Scholarship.

Sandy McPherson Wins Gamma Chi Scholarship

Sandy McPherson, a Mt. Miguel High School senior, is this year's recipient of Delta Kappa Gamma's Gamma Chi Chapter annual scholarship which will help her attend

Miss McPherson

San Diego State College to prepare for teaching physical education.

Sandy, daughter of Mr. and Mrs. James McPherson of 8776 Hiel st., Spring Valley, has a grade point average of

3.55 and stands 26 in a class of 680.

In addition to her academic record, Sandy has a long record of activities in student government, music, sports, church work, and community affairs. She served as Commissioner of Finance at Mt. Miguel and has held several offices in her class and girls' organizations. She is a voting member of the Spring Valley Park and Recreation Coordinating Council and a member of the San Diego Youth Chorus.

Sports and people are Sandy's enthusiasms. "I feel that by teaching physical education," she said, "I can continue to enjoy sports and also help other people." Girls' team sports and softball are first on her list, right now. She has both played and umpired in bobby-sox ball and is now involved in similar activities in the pony-tail league.

The Gamma Chi scholarship is an annual award made by the group of women educators from the Foothills areas.

Orioles Nip Fashionettes With Sixth-Inning Rally

The Len's of Lemon Grove Fashionettes, after enjoying a week in sole possession of first place, dropped an exciting decision to the Severin, Garzenelli and Stenbeck Orioles in Lemon Grove Bobby Sox League play last week to drop into a tie with the Orioles for the top spot.

Both teams won their first game of the week, as the Orioles squeezed out an 11-7 decision over the hapless Shackle Products Nibblers, and the Fashionettes scored 16 times in the first inning enroute to a 31-9 win over the last place Lido's Pizza Spicers.

In the Oriole-Fashionette contest, the two teams battled it out for the first five innings, with the score tied after five frames, 5-5. In the sixth inning, however, the Orioles exploded with four

Pam Jackson picked up the victory for the Orioles with 10 strikeouts, while Lydia Ledesma was the hard-luck loser after striking out eight Orioles.

In other action, the Michael's House of Sight and Sound Quasarettes upended the Lions Club Lionettes, 11-9, despite a 7-run outburst by the Lionettes in the first inning, and the Southwest Leasing and Car Rental Lessees took a 17-5 decision from the Quota Club Midgets.

In the minor league, the Lemon Grove Chrysler-Plymouth Crickets and the Kiwanis Club Emeralds each won their only game to continue in the top two positions in the standings.

The Crickets, who top the loop with a 10-0 mark, blasted the Chula Vista Electric Chargers, 12-2, as Teri Collinge picked up the win after striking out 15 batters.

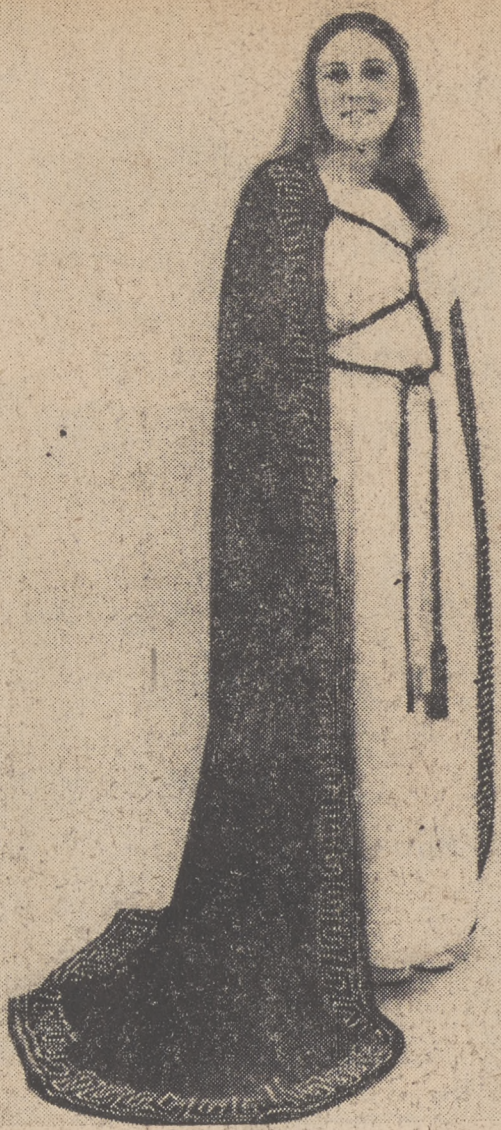

The Emeralds had little trouble taking the Thomas and Son Disposal Cougars, 23-7.

In other minor league games, the Koolers edged the Pipers, 19-17, the Smilers nipped the Cherubs, 13-12 on a five-run rally in the sixth inning, and the Koolers blasted the Cherubs, 19-8.

Butcher Gets Degree

The Satellite Christian Institute of La Mesa presented Reverend Orval Butcher, of Skyline Wesleyan Church, an honorary doctorate of Divinity at its first annual convocation, in College Avenue Baptist Church last week.

Conferring the award for SCI, which provides Christian studies to supplement secular college work, was Dr. George Failing, chancellor.

HONORED QUEEN — Miss Sherry June Wood, daughter of Mr. and Mrs. Kenneth C. Wood, of 2106 El Prado ave., Lemon Grove, will be installed as Honored Queen of Bethel No. 229, International Order of Job's Daughters at installation ceremonies Saturday night.

Also to be installed are elected officers Beverly Cook, senior princess; Debbie Clevenger, junior princess; Debbie Kimbrough, guide; and Michele Dale, marshal.

A reception and dance will follow the installation, which will begin at 7:30 p.m. in the Lemon Grove Masonic Lodge.

Murphy Wins Two Games, Leads Loop

The second half of the 1972 Sky-Grove Pony League season got underway last week with Murphy Plumbing surprising Ebco Steel twice to jump into first place.

John Tiimalu, pitching for Murphy in the first contest, struck out 14 batters enroute to the 5-1 decision. Tony Dimaggio collected a solo homer for Ebco's only tally.

In the second contest, John Gilmer carried the good wood for Murphy, belting a homer in the sixth inning to help the 7-3 win. The win left Murphy with a 2-0 second half record. The team won only one game in the first half action.

Ned's Outboard won its only game of the week to take over second place with a 1-0 record. Ned's knocked off the Lemon Grove Lions Club, 3-1, despite excellent pitching by Lion Neal Luscomb, who struck out 14. Earl Ritchey blasted a homer for the winners.

In the only other games played, Hutchison Roofing and Lido's Pizza split a twin-bill, Lido's winning the first encounter, 11-3, and Hutchison winning the second, 5-4. Dean Pudsey twirled a one-hitter in the first game for Lido's.

In the second contest, Lido's bats boomed against the league's top pitcher, Robert Bryan, and it looked as though Bryan was to suffer his first loss of the season. Hutchison rallied for a pair of runs in the bottom of the last inning, however, to save the game. Jaime Lieras scored the winning run.

The corn borer came to North America from Europe.

DRILL COMPETITION — Mt. Miguel High School's Reserve Officers Training Corps recently hosted an invitational drill meet, featuring competition with Lincoln High School. Mt. Miguel won the platoon and color guard competition, but Lincoln had the edge in the drill team category. The purpose of the competition was to encourage competitive spirit among schools with ROTC units.

Luigi's, Berg Electric Tied For League Lead

The tight battle for first place in the Spring Valley Little League continued last week as Luigi's Restaurant won its only game while Berg Electric split a pair, leaving the two teams tied for the top spot.

Luigi's, with Jeff Whitley on the mound, knocked off Jackson Supply 6-1, with rallies in the final two frames. The game was a scoreless tie for the first three innings until Jackson tallied in the fourth. Luigi's, put back-to-back three-two innings together to win it, as Whitley tossed the one-hitter, striking out 14.

Berg went about its winning business in the first

game, trouncing the SV Post Office, 10-2, on Tim Newman's 3-hitter. In the second game, Berg ended up on the short end of a 10-4 score at the hands of Moose Lodge.

The first place battle tightened even more when S & H Martinizing won a pair of games to pull within half a game of the leaders, and Dial Finance put two wins together to come within a game of first place.

S & H Martinizing beat SV Kiwanis, 8-6, as winning pitcher Vern Cramer knocked in two runs. Martinizing went on to beat Post Office, 16-10, after scoring 11 runs in the first frame. Cramer blasted a grand slam home run in that game.

Dial Finance, with excellent pitching, beat Moose Lodge, 7-2, on Ernie Miller's three-hitter and John Smith's three-run homer, and beat Jackson Supply, 2-1, on Mike Hansen's four-hitter and Richard Schlemmer's last-inning score.

In the intermediate league, Mission Bay Concrete lost its first game of the season, but continued in first place. Jim Nicoll missed a chance to move into the top spot by dropping a pair of games.

In the minor league, Stroh's Lomita Bowl won two games to remain in first place and SV Shopping Center kept close in second place with a couple of victories.

In the rookie league, Support Our POW's was upset twice to drop into a three-way tie for first place. Jackson Supply and Foster Freeze turned the upsets to tie with the POW's.

The average supermarket today is stocked with 8,500 different items, but 3,200 of them, or 38 per cent, are non-food items. Almost 1,000 are health and beauty aids, 800 household supplies and more than 400 are housewares.

Ronson Tops Gulls Scorers

Left wing Len Ronson heads the all-time Gull scoring race for the third consecutive year with 386 points. His total includes 194 goals scored and 192 assists.

Ronson is 31 points ahead of his nearest rival, Al Nicholson. Al has a total of 355 points which includes 157 goals and 198 assists.

Five Gulls have scored over 100 goals over the teams six-year history — Len Ronson (194), Al Nicholson (157), Fred Hiltz (150), Willie O'Ree (117) and Warren Hynes (103).

O'Ree continues to lead the Gulls in playoff scoring with 15 goals in 30 games. Len Ronson is next with 11 goals, also in 30 games. Ronson leads Gull playoff scorers in assists with 17 and total points with 28.

Warren Hynes, even though retired for over a year, still leads the Gulls in assists with 207. Once again, Al Nicholson is second on the list with 198.

Nicholson continues to be the Gulls iron man. Completing his sixth season with the club, Al has missed only one regular season contest. That occurred during the 1969-70 season. He now has participated in 433 games with the Gulls. Add on his 30 playoff contests, Nicholson has seen action in 463 out of a possible 464 San Diego Gull games.

Jim Cardiff moved into first place as the all-time penalty leader. The scrappy little forward-defenseman has a total of 396 penalty minutes passing up former leader Jim Eagle. Jim is now second with 328 minutes.

The all-time goalie after six years is Jack McCartan. He has played in 186 games, the only San Diego goalie in team history to participate in over 100 contests. He has a 79-70-28 won-lost record and his goals allowed per game average is a very respectable 3.22. He also leads the Gulls with six shutouts.

Track Meet in Forum

Undeclared UCLA will meet unbeaten North Carolina Central in the mile relay, final event of the VONS Classic in the Coliseum Friday night, June 9, according to Al Franken, chairman of the event.

The match is one of the most-talked-about relay duels in years and should provide a classic ending to the Classic.

Franken formerly promoted indoor track meets successfully in San Diego at the Arena until he was shuffled out this year by the SD Indoor Track Assn. The latter was far less than successful.

The personnel on both teams are superb. Anchor men will be UCLA's world 440 record holder John Smith and Larry Black, who earlier this year ran 43.8 on the final leg of the relay.

Clinic Dates Extended

The registration period has been extended two weeks for this summer's Pro Football Clinic to be held June 19-23. Open to all interested high school football players, registration forms may be obtained from local Chevrolet dealers by contacting Pro Technique (714) 833-1212, P.O. Box 4486, Irvine, CA 92664.

Instructors for the 5 day clinic will be current members of the San Diego Chargers: Bob Howard, defensive backs; Bob Babich, linebackers; Steve DeLong, defensive line; Terry Owens, offensive line; Jeff Queen, running backs; Marty Domres, quarterbacks; Gary Garrison and Dave Williams, receivers.

Cubs, Concert and Champs
On Padres Visiting List

The Cubs.

The Concert.

The Champs.

That's the triple-treat scheduled for Padre fans when the team returns to the Stadium Friday night.

Three games with Chicago, the Azteca concert featuring Carlos Santana on-the-grass after Sunday's contest, and a furious four-game set with the World Champion Pittsburgh Pirates create a bombastic baseball week in San Diego.

The Padres handled both the Cubs and the Pirates well last season, dividing the six Stadium contests with each club. And manager Don Zimmer hopes to improve that record starting at 7:30 tomorrow night.

"The Pirates are hot and the Cubs are coming on strong," Zimmer said. "But I can't say enough for the winning attitude on this team."

"Our players don't simply hope they can beat somebody. They now believe they can beat everybody."

The Cubs parade their dandies — Ron Santo, Ferguson Jenkins, Don Kessinger, Rick Monday and Billy Williams — Friday and Saturday evenings at 7:30 and on Sunday at 1 o'clock.

Azteca, along with the famed Santana and several members of his popular group, will play in concert immediately following the Sunday game. Such Santana stars as Coke Escovedo and Victor Pantoja along with vocalists Rico Reves, Wendy Haas and Earl Knowles, as well as such big band favorites as Tom Harrell (Woody Herman) and Jules Powell (Ray Charles).

are included in the new sound 18-member Azteca group. It's the first Southern California appearance for Azteca and a special Sunday bonus at the concert will be the added performance of the Boz Scaggs group.

SD Padres Ink
Top Draft Pick

The Padres have signed left-hand pitcher Rich Troedson, their first selection in the secondary phase of this year's winter draft, it was announced by Bob Fontaine, director of scouting.

Troedson, 21, had a 13-2 record at Santa Clara and was the winner of his last nine games.

A second team All-American selection last season, Troedson, 6-1 and 180 pounds, this year was named most valuable player in the WCAC conference.

He lives in San Jose. Fontaine said Troedson will be assigned to the Padres farm team at Tri Cities, Wash., of the Northwest League.

Norton Meets Jacobs
In Friday 10-Rounder

San Diego heavyweight Ken Norton steps up in class June 5 when for the first time in his fistic career he takes on a world-rated fighter, Herschel Jacobs of White Plains, New York, in a 10-round main event at the San Diego Coliseum at 8 p.m.

Jacobs moved into the number five light-heavyweight spot on the World Boxing Association rating chart when the standings were announced last month. He is also the New York State light-heavyweight champion.

In 48 professional bouts, Jacobs has 28 wins and two draws against 18 losses . . . most coming midway in his career. He has never been stopped by an opponent in the ring.

Norton sports one of the best records in boxing . . . 26 wins and only 1 loss with 22 knockouts. The lone loss coming at the hands of a fighter very much like Jacobs.

Robison is La Mesa
Chamber's President

Charles Robison, Administrator at Grossmont Gardens, was recently elected president of the La Mesa Chamber of Commerce for 1972-73.

Robison steps up from vice president and has served two three-year terms as a member of the board of directors in addition to chairing numerous committees.

Other officers elected are vice presidents, Hal Logan and Dr. Gladden Elliott; as well as treasurer, Bill Eppler.

Officials at the Okefenokee National Wildlife Refuge in Georgia estimate there are 11,600 alligators in the area.

Local Foster
Parents Honored

During the past 15 years, literally hundreds of children have been cared for in Albert and Mildred Crooks' day care home, 7455 Tweed st., Lemon Grove. The Crooks' annual Christmas party for all previous and present day care children packs their house.

The Crooks are representative of the 129 foster parents who were honored recently by the County of San Diego at Foster Parents' Appreciation Day.

"Appreciation Day is the community's way of saying thank you to these unselfish people who have contributed from 5 to 25 years of service to the children of San Diego County," said Barbara Penn, recruiter for the County's foster home licensing section.

Homer Detrich, director of the Department of Public Welfare, presented awards to the foster parents. Also participating in the program were Harry Scheidte, Chairman of the County Board of Supervisors, and Frank Panarisi, Human Resources Agency Administrator.

Swimming Pool Eyed
At Monte Vista High

Monte Vista High School is nearing phase three of a major improvement project which is to result in the addition of a \$150,000 swimming pool.

Phase one was to complete the cement steps for the school stadium, phase two was the lights, scoreboard and concession stands. Projects left in phase two include a concession stand for the visitors and a press box. Of the \$200,000 cost in the beginning, only \$9,000 remains to be paid.

Youth Orchestra Concerts Set June 3, 10, 11

Civic Youth Orchestras I and II will perform their annual spring concerts in early June. The traditional concerts are presented to the community without charge.

On June 3, Civic Youth Orchestra II, directed and conducted by Charles MacLeod, plays a three-part program in the Casa del Prado, Balboa Park, at 8 p.m. The 84 members, representing all of San Diego County, are young teenagers who have had several years of professional study prior to auditioning for their respective positions.

On June 10 and 11, Thomas Nee conducts Civic Youth Orchestra I in performances of Prokofiev's Lieutenant Kijé, Beethoven's Symphony No. 4 and Howard Hanson's Symphony No. 11.

The June 10 performance will be held in the College Avenue Baptist Church which is noted for its acoustics. On June 11, Orchestra I will give a duplicate performance at Sherwood Hall, La Jolla. Both performances are at 8 p.m.

IED Grabs S.V. Pony Loop Lead

Mary Browne Realty was bumped out of first place last week by losing two of four games, while IED Conic Corporation won its only two games to move into the top spot, in Spring Valley Pony League play.

Mary Browne opened the week with a costly loss to the SV Dodgers, 16-3, as Russ Palmer scattered Browne hits en route to the win. Rolland Wiggs blasted a pair of homers for the winners.

Mary Browne then went on to take on IED and J.P. Koval, but IED teed off on Browne pitching for 13 runs and a 13-5 decision. IED went on to win a second contest, 11-1 over the Dodgers, while Mary Browne dumped Musser and Sons, 7-5, and the Spring Valley Giants, 10-6.

In other action, Musser and Sons won its first game of the season, a 5-3 victory over the Giants, and the Dodgers moved into third place with an 11-2 victory over the Giants.

A look at the standings shows IED on top with a 7-2 mark, Mary Browne in second at 7-3, the Dodgers in third at 5-4, the Giants in fourth at 4-5, and Musser and Sons in the cellar with a 1-9 record.

SERVICE AWARDS — Fifteen year service awards were presented to Donald J. Shepard, Assessor-Collector-Treasurer of the Helix Irrigation District, and to Carl Bush, Storekeeper for the El Cajon Field Office of the District, at a regular meeting of the Board of Directors.

Harry Griffen, Chairman of the Board, made the presentations of emerald-studded tie-tacs to both men and praised them for their continuing contributions to the successful operation of the District.

Injured Vet Perfects New 'Comfort Aid'

Joseph P. Giacinto, Chief Prosthetist at the University of Michigan Medical Center has perfected a new comfort aid developed for the below-the-knee amputee, along with two co-workers, Richard McUmber and Henry Sturza.

Giacinto

Giacinto, who was recently in Lemon Grove to visit his brother, Sal Giacinto, lost a leg in World War Two when he stepped on a land mine in Okinawa.

The new socket aid is composed of a leather envelope containing a 1/8" thickness of gel material that absorbs shocks and twisting, eliminating pressure sores and bruises that commonly occur with the amputee. The aid was developed at the University of Michigan Prosthetic Facility.

The Sacred Mosquitoes of California

Who wants to bring back typhoid? Or malaria? Or encephalitis? Only people who love mosquitoes.

The sponsors of Proposition No. 9 on the June 6 ballot must love mosquitoes—also termites, cockroaches and silverfish. Because Proposition No. 9 makes illegal the use or possession of a long list of chemicals, including the only effective pesticides for controlling various pests.

They must hate bees, though. Because the substitute pesticides that could still be used, though far less effective for many purposes, are death on bees. They're also dangerous to humans and pets.

If Proposition No. 9 passed, you could be arrested for having on your premises a can of insect spray you'd purchased some time ago if it happened to contain one of a long list of suddenly illegal ingredients.

A university scientist could be arrested for experimenting with any of these banned chemicals in a laboratory research project.

What kind of sense does all this make?

Like most things about Proposition No. 9, it doesn't make any sense at all.

It doesn't make sense to risk the resurgence of epidemic diseases that have been kept in control for so many years that most of us have virtually forgotten they ever existed.

It doesn't make sense to risk the destruction of forests and agricultural crops.

It doesn't make sense to prohibit scientists from experimenting to develop new knowledge in the field of pest control.

It doesn't make sense to forbid the use of the only known effective means of protecting your house from termite infestation.

Proposition No. 9 is senseless—and very dangerous.

There's good in most religions, and harm in some. The protected, "sacred cows" of India have contributed to that country's abject poverty for centuries. It would be the height of folly to yield to the fanatics who, in their zeal for a new "religion," would inflict on all of us the "sacred mosquitoes" of California!

Vote NO on Proposition No. 9

There are too many bugs in it!

DeNunzio Wins USD PR Post

A Lemon Grove resident has been named public information and promotions coordinator for the University of San Diego football team.

He is Gabe DeNunzio, former coordinator for the Golden State Warriors' National Basketball Association operation in San Diego, a member of the Caliente Race track public relations staff and athletic information director at San Diego State College.

In Lemon Grove, he is vice chairman of an advisory steering committee for the school district, is a board member of the Mt. Vernon Elementary School PTA, Lemon Grove Junior High Band Parents and an advisor to a school newspaper, and has been a board member of the Little League, cubmaster for Cub Scout Pack 318 and a committeeman for Boy Scout Troop 376.

At USD, his duties will include promotions, season and group ticket sales, fund raising, public relations and other administrative responsibilities with the football program.

DeNunzio lives with his wife, Sheila, and sons, Stephen, 13, and Terry, 8, at 8150 Longdale dr.

As a means of controlling drugs, research is underway to find insects that will devour poppy and marijuana plants.

GPA Patrol Is New Here

Among Lemon Grove's new businesses is the GPA Patrol Service, which recently set up offices at 3315 Harris st., Lemon Grove, and 912 Range-

view, Spring Valley. Owned and operated by Robert Snyder, GPA provides full security guard, patrol service and detective work, and is now in the process of setting up a training program for patrolmen.

About a third of Snyder's patrolmen are veterans, he said, although many are college students working their way through school.

After training, a potential patrolman must pass a difficult test before being sent into the field. Training in firearms, types of crimes, and arrest techniques are a must.

Cooperation with local law enforcement agencies is stressed, according to Snyder, who said that professionalism in crime prevention is his firm's mainstay.

GPA Patrol Service presently serves businesses and individuals in Lemon Grove, Spring Valley, El Cajon, La Mesa, as well as the South Bay area.

Bus Fare Cut For Handicapped

Handicapped persons of any age will ride San Diego Transit System's buses for 25 cents, regardless of the destination, it was announced by the firm this week.

Currently, senior citizens are afforded the discount.

For 25 cents seniors, 65 or over, and handicapped persons, may ride without additional charge for outer zones and get full transfer privileges.

An applicant, regardless of type of physical handicap, may request an I.D. card from most health service agencies or they may obtain names of the agencies by calling 239-8161.

Death Penalty Program For L.G. Rotary Club

John Hewicker II, chief of the Special Operation Section of the District Attorney's office will discuss the Death Penalty Initiative Monday at the Lemon Grove Rotary club.

The death penalty had been banned by the State Supreme Court. This week the invalidation was reaffirmed by the U. S. Supreme Court.

Law enforcement officials say the death penalty is a deterrent to crime. Supreme Courts say it is "cruel and inhuman" punishment.

Rotary meets at noon at L.G. Bowlero. Dr. Griffith Clark is president.

Rate Study Due

A completed study of the financial operations of the Helix Irrigation District including a proposed new water rate structure which has been prepared over the last few months by Wilsey and Ham, a firm of consulting engineers, will be presented to the Helix Board of Directors for their review within the next week.

The study was authorized by the board of directors in February. Rising costs, exhausting of operating reserves, and changing patterns of water use within the district over the last few years prompted the employment of the consultant.

The Board's decisions concerning the recommendations in the study will be of importance during budget sessions slated to begin June 12.

PRIZEWINNER — Larry Stillman, of 7842 Barton dr., Lemon Grove, displays first prize trophy he won in an essay contest sponsored by San Diego Adult Educators Assn. His essay, "Adult Education: Avenue of Challenge" cited the rewards of a writing class at adult school. "End your intellect's dull plodding in the mud," via education, he wrote. His material has been published in various national magazines and in several local newspapers.

Record Premiums Offered For Fair's Horse Show

DEL MAR — Largest premiums ever offered here are expected to lure a top quality field for the 27th annual Southern California Exposition National Horse Show, June 27 through July 9.

"We are offering around \$55,000 in cash, silver plate, and estimated added monies this year," horse show director Alan Balch said. "The result should be a higher quality of entries, particularly in the popular Jumper class, than we've ever had before."

The horse show, one of the world's largest with an expected 1,500 entries, has been officially classified as a "Star Show" for the previous year by the American Horse Shows Association, an honor reserved for some 20 of the best equestrian events in the U.S. It was also voted "Best Horse Show of the U.S." by a reader's poll in *Horses* magazine.

Junior division of the horse show will be held the first four days and through the afternoon of July 1. Open horse show starts July 1 at 7:30 p.m. and lasts through the end of the 83rd annual Expo on the same site.

and lasts through the end of the 83rd annual Expo on the same site.

Additions to the Junior horse show this year for the first time include Maiden and Novice classes and two gambler's choice classes for Jumpers. In the Open show, there is increased prize money for Jumpers and Western.

Balch indicated there will be no less than ten Open show \$1,000 sweepstakes awards. They are for Open Jumpers on July 6 and 8; Regular Confirmation Hunters on July 7; Walking Horses, Regular Working Hunters, Three-Gaited Saddle Horses, and Five-Gaited Saddle Horses on July 8; and for Fine Harness Horses, Stock Horses and Trail Horses on July 9.

Students Win Cash Awards

The top high school chemistry students in San Diego County were honored recently at a Grossmont College banquet sponsored by the San Diego Section of the American Chemistry Society.

According to Dr. Virginia M. Schelar, Grossmont College chemistry instructor and contest coordinator, the annual contest, conducted at Grossmont College, was aimed at developing an interest in a career in chemistry amongst high school students.

Winner of the top prize of \$100 was Albert L. Wells, a student at Granite Hills High School. Sharing the third place award of \$25 each, was Don Wieland, a student at San Dieguito High, and Thomas Herrinton, a student at Monte Vista High School.

Receiving an honorable mention certificate was R. D. Peruchiti, of 9105 Barneveld st., Spring Valley, a Monte Vista student.

Political Merry-Go-Round

Seven is Bob Divine's lucky number as he runs for the post of Supervisor, 2nd District, he said this week.

He was the 7th candidate to file on March 7 and is placed 7th on the ballot. His campaign headquarters is located in the vacated 7-eleven store on Avocado blvd., La Mesa. However, Divine stresses that it takes more than luck to make a good Supervisor.

Not committed to any special interest, Bob Divine is carrying on a high level, low cost, people-to-people type of campaign stressing that the problems of the East County are more important than the ambitions of the candidate. He wants to act on the issues of poorly-planned growth and spiraling taxes. His stand on the four specific issues which naturally arise from such a statement include: A tough position on school planning to help prevent overcrowding, adequate recreation facilities in the area, protection of our natural environment from pollution, and reduction of out-of-sight taxes on residential property.

His steering committee includes: Dr. Lowell R. Smith and Frank Stucky, co-chairmen; Fred Andrews, Dr. John Barrons, Bob Belt, Frank Berger, Bob Divine Sr., George Eckel, Bill Gillespie, George Gray, Craig Howry, Bob Larsen, Al Marshall, Lewis F. Smith, Alex Struthers, Dr. Ken Whitcomb, and Roy Williams.

Three points against school unification were given this week as Tuesday's election nears.

Mildred Huebsch, chairman of the Citizens Against School Unification said this week that:

1. There is more evidence that the three-district unification would not benefit local schools than it would aid. Particularly in special programs.
2. Local property tax would rise. The \$20 a student bonus "carrot" as an inducement for schools that unify will have to be paid by taxpayers, thus using the taxpayer's money to unify against him.
3. Local control would diminish at a time when individual need in the community is greatest.

If it takes more money to provide the same level of education under unification, it follows somewhere along the line youngsters will have to accept poorer education when increasing the tax burden is no longer feasible, she said. Her group urges a "no" vote on "N"—the school unification proposition.

Senator Clair W. Burgener said that his campaign for the Republican Congressional nomination in the new 42nd District is being waged entirely without the use of billboards.

"With all of its beaches, coves, mountains and valleys, the 42nd is easily the most beautiful congressional district in California. The use of billboards in a campaign would demonstrate an insensitivity to that beauty," Burgener said.

The newly created 42nd District includes most of north-west San Diego County and the coastal section of southern Orange County. It is one of the five congressional districts created as a result of California's increase in population in the 1970 census.

Members of a Grossmont College official on-campus organization called "Students in Support of Dick Brown" invited 11 other second supervisor aspirants to debate the issues with their candidate.

Only Bob Divine, Glenn

Mitchell, and Clifford Walker accepted the challenge.

Tom Hawkins, spokesman for the students said they had sought to stage the debate in an old-fashioned political setting which was enlivened by balloons, straw hats, refreshments, and a Dixie-land band.

Harriet Stockwell, of the League of Women Voters was debate moderator.

Assemblyman Wadie P. Dedeh, announced that voters' pamphlets printed in Spanish are available at his district office.

The pamphlets contain information about the upcoming primary election and arguments pro and con for each of the 10 propositions.

The Assemblyman invited anyone wishing a copy of these booklets to stop by his office at 240 Woodlawn, Suite 8, Chula Vista, any working day until the June 6 election.

Bob Green, 77th Assembly District candidate has joined with state leaders to insure a ballot on the death penalty in November.

"I believe the death penalty is a deterrent to crime," he said. "My office, at 44 3rd ave., Chula Vista, is available for anyone wanting to sign or circulate a petition."

Glenn Mitchell, a candidate for Supervisor, Dist. 2, said that he will run for governor in 1974 and relinquish his post as supervisor when he is elected.

Mitchell, an El Cajon real estate broker who uses the Bible teachings as his blueprint for business, said the nation must turn back to God if it is to remain great.

President Nixon's only Republican opponent, John M. Ashbrook, a conservative Congressman of Ohio, has opened campaign headquarters at 3406 Fairway dr., Spring Valley (466-6243) 8443 Lemon ave. (460-1708) and 7662 Homewood pl. (460-0037) both in La Mesa.

President Nixon's main San Diego re-election headquarters opens today at 330 "A" st., downtown.

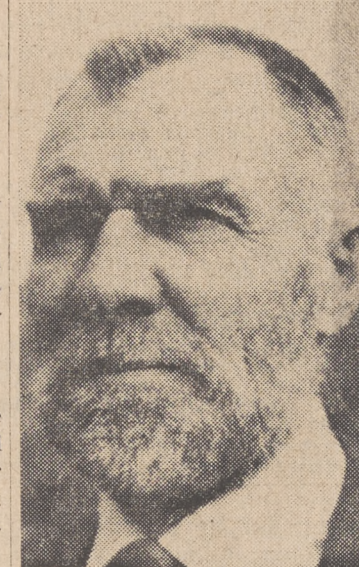

Live music, champagne and guest dignitaries are programmed. Volunteers should contact the office at 238-1532.

SACRAMENTO — The Assembly Revenue and Taxation Committee has approved legislation which would prevent the double taxation of mobile homes. Assemblyman Bob Wilson is the author of the legislation.

The San Diego legislator said he introduced the legislation following action by the L.A. County Tax Assessor to classify all mobile homes as real property making them subject to payment of property tax.

"Mobile homes are now classified as personal property," Wilson explained. "As a result, mobile home owners presently pay a separate license fee to the Department of Motor Vehicles in lieu of property tax."

"It is expected that other counties will follow unless legislation is enacted to prevent it."

Winchester

Roger F. Winchester, 57, of Route 1 Box 68, Jamul dr., Jamul, is a candidate for the 80th Assembly District seat.

Winchester, listed on the Republican ballot for the June 6 primary election, has been a resident of the area for 31 years and has twice before run for the 80th district post, both times unsuccessfully.

Winchester indicated that he would favor a board of people, separate from the County Board of Supervisors, elected by those who reside in the unincorporated areas of the county, to govern the unincorporated area.

Authorities used to think the peach came from Persia but now it is generally agreed it came from China.

ATTENDS CONFERENCE — Mrs. Mildred McAuley, financial aid officer at Grossmont College, was selected to represent the nation's community colleges at a conference this week with the Department of Health, Education and Welfare officers in Washington, D.C., concerning the allocation of funds for financial aid of students enrolled in the nation's colleges and universities.

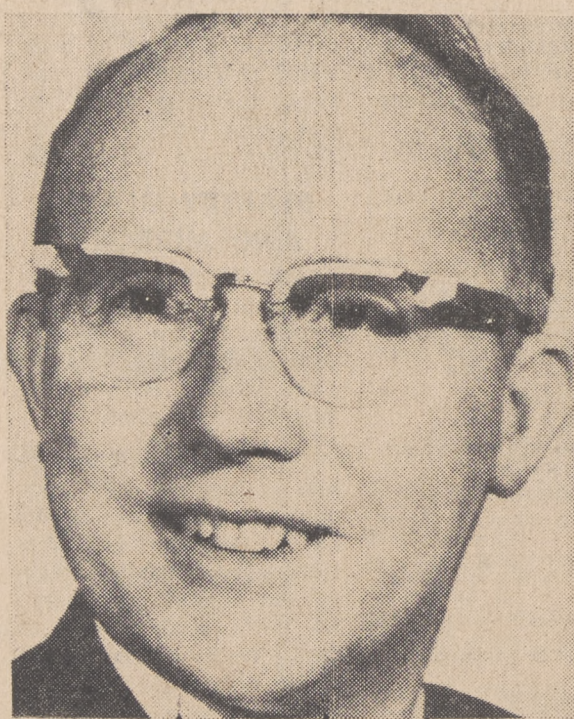

A member of the editorial board of the national publication "Journal of Student Financial Aid," Mrs. McAuley is the only representative of community colleges serving on the board of editors. She has received national-wide recognition for her expertise in the field of financial aid for students.

"We're voting for Gene French because he strongly supports local control.
